April 1, 2025

[HARTFORD](#) — The Hartford Convention Center was transformed back to the 1990s when the 90s Con returned this past weekend.

A few dozen celebrities from Matthew Lillard to David Arquette, Wilson Phillips and more attended the convention. Forty-seven celebrities from television shows, movies, boy bands and even the Olympics headlined the weekend event.

The weekend also included a cosplay contest, panels, vendors and an after party.

Tickets for the 90s Con were nearly sold out before doors opened up Friday evening to kick off the first day of the event.
